

**FROM
CARPET
TO TURF**

Shaw Industries, a Berkshire Hathaway, Inc. company, is the world's largest carpet manufacturer and leading floor covering provider, with more than \$4 billion in annual sales and 25,000 associates worldwide.

Now, with the marriage of proven tradition and expanding arenas, Shaw applies the same philosophy of innovation that has been woven into more than a decade of legendary carpet manufacturing in the synthetic turf market.

Through substantial assets, investments, key acquisitions and partnerships, Shaw Industries has quickly secured a leadership position as a complete turnkey surfacing company excelling in providing synthetic solutions for sports, commercial, residential landscaping, pets facilities, parks, playgrounds and landfill closures.

SHAW INDUSTRIES TURF DIVISION

SOUTHWEST GREENS INTERNATIONAL

Southwest Greens International was founded in Scottsdale, Arizona in 1996.

Today, the company is a multi-million dollar network of 90+ franchise operations worldwide and is considered the global leader in designing and installing state-of-the-art synthetic putting surfaces for over 35 professional golfers on the PGA Tour, including Vijay Singh, Jim Furyk and Zach Johnson, as well as many avid amateur golfers. SWGI was selected by Nicklaus Design in 2004 to produce premium synthetic golf greens for residential customers. SWGI also designs and installs premium quality synthetic solutions for homes, businesses and municipalities.

Closure Turf

CLOSURE TURF LLC

Shaw has partnered with Closure Turf, an Atlanta-based landfill closure system provider, to become its exclusive supplier of synthetic turf. Closure Turf is used to reduce the time, cost and environmental impact associated with landfills, mine spoils and other hazardous sites. The Closure Turf patented system efficiently captures methane, eliminates maintenance equipment and reduces the carbon footprint by 70%. Closure Turf combines a drainage system and geomembrane barrier with durable synthetic turf for a long life of superior performance and aesthetics.
